

San Antonio Founder Lions Club

2010 Picciuti Charity Challenge

On 30 October, 68 Golfers, some from as far away as New Jersey and others with us as representatives of the Wounded Warriors from Iraq and Afghanistan, joined with our Lions and their friends to brave a chilly Texas morning and take on one of San Antonio's oldest and most tested courses, all in support of the Founder Lions Club and our dedicated support of the Texas Lions Camp and the memory of one of former Camper, Counselor, and Director, Lion Charles Anthony Picciuti, 1970—2007.

Sal Martinez & Armando Castellano

With Coffee and clubs in Hand, can it get any better than this? The coffee was hot and the sun eventually got there too as both the golfers and the course warmed up.

fixin to get serious.

2010 PICCIUTI CHARITY CHALLENGE

Chuck

If **Style** counts, **Lion Ellison Farias** gets our vote.

As expected, **Dave Sanchez** nails it.

Golf is easy! As demonstrated by **Lois Pickart**, you pick a direction and simply “will” the ball to travel hence. Once it arrives, you can have a friend, such as **Syd Muenster**, tap it in, using only one hand. It’s that simple. If and when that doesn’t work, **Lion Sarah Trenchard**, with an unlimited supply of Mulligans, will come to the Rescue.

If **Fashion** counts, **Lion Chuck Beaver** of the **San Antonio Lighthouse** gets our vote....but then, what do we know about fashion.

The **Form** vote goes to **Lion Rod Chisholm**

And, our heartfelt thanks goes out to all our wonderful supporters and **sponsors.**

In Recognition and Grateful Appreciation for their support, we thank the parents of Lion Chuck Picciuti, **“Chuck, Sr.”** and **Mary Picciuti** for driving down from their home in Ft. Worth to be with us on this special day and event.

We were equally grateful to be joined by the Love of Chuck’s life, **Jan**, and her new husband, **Phil**, both sporting a “Fix Up Chuck” shirts.

Chuck 

Last but not least we were blessed to have with us two of Lion Chuck’s cousins, brothers from New Jersey, **Charles “Chuck”** and **Anthony “Tony” Picciuti**. Not only did Chuck and Tony travel to

San Antonio to be with us and play in the tournament, but they and their family in general (the “New Jersey Picciutis— Ed, Helen, Laura, Lorraine, Tony, Chuck & Lisa— were donors and significant contributors to the prize pool. Less I forget to mention, Tony won the Grand Prize, the PGA Tour Experience at the TPC, San Antonio. Looks like they just might be back next year.

AND FINALLY, WE COULDN'T HAVE DONE IT WITHOUT YOU!

**OUR LEADER AND COMMITTEE CHAIR
LION JACKIE WYNN**

Heaven only knows the lengths to which you went to make this happen. Finding the teams, the coordination, the meetings... you made it all happen - and, you've started a tradition! God Bless and Keep you ...after all, we gotta do this again next year!

**OUR SPIRIT OF PROACTIVENESS
LION SARAH TRENCHARD**

For someone who had never played golf or operated a tournament, she was everywhere in the planning and execution. Seemingly, nothing escaped Sarah's eye and her ability to produce exceptional prizes and awards was truly inspirational.

Many thanks as well are owing to Lions: Ken Crowder, Rod Chisholm, Jim Wheeler, Marc Wall, Roland Keller, Chuck Beaver, Ellison Farias, Mary Thomas, Maeve Reddin, Mike & Sylvia Gonzales, Bill Becker, Jack Costello, Lincoln Strawhun and of course, Judy Hall.
